Section One—8 Pages

ELEVEN candidates from various sections of Alberta attended a rescue course held at the Alberta Civil Defence Rescue School in Edmonton last month. Shown above (left to right) are four of the candidates: Robt. Chalmers, Redwater; Stanley G. Segar,

Elmora; Eric L. Sharpe, Castor; and Jorgen Hansen, Warpsite. The school was under the direction of F. G. Jamieson, Commandant of the Alberta C.D. School, and was the fourth rescue course held at the school.

Leading Cadet Ronald Lloyd On 2-Month Cruise

Leading Cadet Ronald Lloyd, 17, of Exeter Sea Cadets, Lac la Biche, has been chosen by the Navy League of Canada as one of 12 Canadian sea cadets who will sail on the aircraft carrier HMCS Magnificent, leaving Halifax, N.S. on April 15, for a two months cruise to the Caribbean and the United Kingdom.

Lloyd, son of Mr. and Mrs. Edgar Lloyd of Lac la Biche is the sole Alberta representative on this cruise as the quota of cadets from the three prairie provinces was set at only two. This is considered quite an honor to the community and the local sea cadet corps. The good wishes of all go with Leading Cadet Lloyd on this great adventure.

Ladies' Club Holds Bingo, Whist

CASLAN—The Greek Orthodox Ladies' Club sponsored a whist drive and bingo at the Caslan School last Saturday evening.

First prizes for whist were won by Mrs. A. Cherniwchan and Carl Lukasuk. Consolation prizes were won by Evelyn Krawchuk and Edward Weinzierl.

Nearly \$100,000 Increase In Taxable Assessment Is Three-Year Record

LAC LA BICHE — Undisputed progress is the story here, with new homes, and new business buildings having been erected every year since the end of the war in 1945.

During the past three years alone the taxable assessment has climbed from \$549,850 in 1951 to \$638,863 in 1954. Additional increases this

Both Owners Of OK Motors Saw War Service With Polish Armed Forces

By T. W. PUE

Two young men who know what Poland in 1939 when war broke out. Together with a companion he sailed across the Baltic Sea on a small private yawl to Sweden. There they boarded a Polish merchant ship that took them to England.

They are Mike Fedora and Gerry Karasinski, who were living in Poland when war broke out in 1939. Now, in 1955 they have bought the garage formerly operated by A. S. Tomnuk and known as Lakeside Motors.

Mr. Tomnuk built the garage three years ago and has since operated as dealer for the Ford Motor Company and Imperial Oil products. He will, it is understood, remain in Lac la Biche for the time being at least, to dispose of his stock of cars and trucks.

Mike Fedora is a veteran of the famous Polish Second Army Corps. He fought in Tobruk, North African campaigns, where he was wounded. Later he recovered and was returned to service in Italy, where he took part in the Monte Casino assault. In 1946 he was given the opportunity of emigrating to Canada and came from Italy to Alberta. He has since been employed by Union Tractor Company and Hislop Construction as mechanical foreman.

Gerry Karasinski escaped from

Poland in 1939 when war broke out. Together with a companion he sailed across the Baltic Sea on a small private yawl to Sweden. There they boarded a Polish merchant ship that took them to England.

There Mr. Karasinski joined the Polish Flying Corps of the RCAF and saw service as a fighter pilot in France before Dunkirk in June, 1940. Back in England in 1940, he took part in the Battle of Britain and spent seven years altogether in the Air Force as a fighter pilot.

During this time he took part in the Normandy invasion, flew in the skies over Belgium and Holland and after the war spent two years in Germany in the occupation forces. He came to Canada in 1948.

First Mr. Karasinski spent three years operating a service station in the Yorktown suburb of Toronto before coming to Edmonton in 1951 to go into the construction business.

He is now putting his years of business experience to good use in operating the OK Motors along with his partner.

Gerry is married to a former Polish refugee, and Mr. and Mrs. Karasinski are now the proud and happy parents of three lively young Canadians. They are Ada 8, Danuta 4, and Marek 1.

Novelty Sale

LAC LA BICHE—The WI home baking sale held at Mischuk's Store on March 19 was a great success. The lucky winners of the WI raffle were Miss Lola Badry, who won a baby chenille bedspread, first prize, and Mrs. N. Zinko, who won a set of guest towels as second prize.

FIVE LOCALS REPRESENTED AT FUA SCHOOL AND WORKSHOP

BOYLE—The FUA School and Workshop held in the community hall on March 25, was fairly well attended.

Attending were 29 registered delegates representing five locals, Hylo, Venice, Paxson, Grassland and Boyle. The meeting was called to order at 12 noon with Claire Anderson of Freedom, director for District No. 3, presiding. Kenneth Lund was elected secretary, and Mr. Grandenetti and Ed Roski were elected for the resolutions committee.

The meeting then adjourned for dinner served by St. Paul's W.A.

At 1:30 p.m. the meeting reconvened and Mr. Stimpfle, vice-president of the FUA addressed the convention on proper procedure for conducting meetings, the duties of local presidents and secretaries, means of holding the interest of persons attending local meetings, and how a buzz session can help to bring out information and new ideas.

A demonstration of the usefulness of a buzz session followed, the delegates split into group of five and the subject of Producer Controlled Marketings Boards was discussed by each group. A report of each group's opinion was then given. Mr. Stimpfle then explained the operation of such boards and the benefits they would provide for the producer.

Legislation has been passed which allows marketing boards to be set up (except in the case of cattle and sheep) if 51 per cent of the province's active farmers vote in favor. The FUA, however, feels that there should be a 66 per cent majority of the farmers who vote, since it is most likely that farmers would vote pro or con only where his own produce is concerned, for example, a wheat farmer probably would not vote on the establishing of a hog marketing board.

A demonstration of membership salesmanship was given, with Mr. Kuhn enacting the stubborn farmer, and Mr. Roski and Mr. Borronoik acting as salesmen. Mr. Stimpfle pointed out the importance of the proper approach and information, which each salesman should have when canvassing for members.

Mrs. Beach, FWUA director of District No. 3, also addressed the convention and explained the functions of the women's section of the Farm Union. At present there are no FUWA locals in sub-district 5. However, it is hoped that locals will be formed in the near future.

Mr. Grandenetti introduced a motion, that sub-district 5 be divided in two and that the division be made on the range line between 16 and 17. This motion was carried.

Kenneth Lund was elected as director for the new sub-district.

Two resolutions were passed, the first introduced by Ed Roski and Nels-Eric Parson which read "that each local round-up foreman in each sub-district be formed into a committee to assist in sub-district affairs."

The second read "that the workshop plan of self-education in FUA policies and tactics be included as a feature of all sub-district conventions when and where feasible. This was introduced by Mr. Keehn and Mr. Meardi.

Present active locals in the new sub-district 5 are Atmore, 35 members; Amber Valley, 11 members; Boyle, 235 (largest local in district 3); Bluejay, 42; Grassland, 67; Paxson 80 and Spruce Valley 58.

Heavy Snow On Lake Ice

LAC LA BICHE — In winter, the big lake here sometimes makes an excellent highway when the ice is thick and snow is light. But since mid-winter Lac la Biche has been covered with too much drifted snow to make cross-lake travel by car or truck possible.

Some Islanders, who come to town in their boats in summer, now use tractors, but the going even then is tough and they don't make the trip any more often than they have to.

It will likely be another six weeks before the ice is gone and travel by boat is again possible.

Atmore Garage Dodge Dealers

The Atmore Service Garage has been appointed dealers for Dodge and DeSoto cars and Dodge trucks, it was revealed in Atmore last week.

The last previous district dealers for this popular line of automobiles was Mr. L. Rudigar, of the Lac la Biche Garage.

In addition to the Dodge dealership, which will be housed in the fine new garage built in Atmore recently, the Service Garage has dealership for the complete line of Allis-Chambers Farm Machinery.

Owner and operator of the Atmore Service Garage is Victor Genoud.

Lac la Biche

Douglas Johnston left for St. Johns, Que., on Tuesday, March 29. He will be training for six months with the RCAF.

Mr. and Mrs. Jack McCarthy and son Randy were recent visitors at the home of her parents, Mr. and Mrs. I. E. Settles.

Northward Bound?

LAC LA BICHE — Sometime — maybe this year, maybe next. Exeter II with a crew of Sea Cadets and Fr. McGrane, the Skipper, will set sail for Aklavik.

Nothing is certain yet, but it is known that the Commander of the Lac la Biche Sea Cadet Corps has been giving some pretty serious thought to taking such a trip along the MacKenzie River System waterway to Canada's northern port on the Arctic.

This would parallel in interest the trip taken a few years ago. The Exeter sailed the canals of England and crossed the English Channel to Paris.

Lac La Biche Hospital News

Births recorded in Lac la Biche recently were:

March 25, a daughter to Mr. and Mrs. Peter Pearson of Lac la Biche; March 26, to Mr. and Mrs. Emile Gauthier of Plamondon, a son; March 27, to Mr. and Mrs. Mike Steffin of Lac la Biche, a son; March 28, to Mr. and Mrs. John Kozakovich of Craigend, a son; March 28, to Mr. and Mrs. Mike Konarak of Spruce Valley, a son; March 28, to Mr. and Mrs. George Dowhaluk of Blue Jay, a daughter; March 29, to Dr. and Mrs. Cadzow of Lac la Biche, a daughter; March 30, to Mr. and Mrs. Albert Le Rouzic of Atmore, a daughter.

Local Bonspiel

The Lac la Biche curling season was brought to a close with the staging of a local bonspiel. There was 16 rinks entered, and G. Richards' rink walked off with the blankets, the first prize in the Grand Challenge. Fred Harman's rink won the dishes, second prize in this event, and the high school boys' rink, skipped by R. Langevin, took third prize.

In the Citizen's Draw Roy Raines' rink won the cutlery, the first prize; Bob Stubberfield's rink won Arrow shirts, second prize, and Steve Hamar's rink won third prize.

The winning rinks were composed of the following players:

G. Richards' rink, M. Steffin, J. Chow, Sonia Duban; Fred Harman's rink, W. Cadzow, J. Hackman, J. Tesolin; R. Langevin's rink, A. Langevin, R. Pawlowich, A. Baglot; R. Raine's rink, E. Courtney, G. Martin, V. McCullough; R. Stubberfield's rink, A. Proctor, B. Duban, Mike Hamar; S. Hamar's rink, H. Currie, M. Hamar, J. Hamar.

Lac la Biche volunteer fire brigade suggests when Spring cleaning and grass burning careful supervision be employed.

Canada's motor vehicle industry cut July shipments 46 per cent in 1954 as the drop in dealer sales increased.

Frains

George Cherniwchan, from Drayton Valley, is home for the Spring. Eddie Shwetz and Standly Nakipelo, from the city, were week-end guests at home.

Lawrence Nahorney and Nick Tkachyk, from the city, were week-end guests here.

Mr. and Mrs. John Soloski and Billy, from the city, spent week-end visiting with the family.

Bill and John Chopoidal have returned home.

Due to the muddy roads the Bingo that was scheduled for April 2nd, was postponed until further notice.

Egg Lake

Farmers are beginning to come back from the bush and from fishing.

Fernand Amiot, who has been working at Foothills coal mines all winter, has returned home for a few days and has now left for Calgary, where he will attend the Provincial Institute of Technology.

H. M. Olsen and his son Robert have arrived from Conklin, where they had been fishing all winter.

On Sunday, March 27, Mr. and Mrs. Olsen had visitors from Edmonton. Their daughter Mae (Mrs. J. P. Collins) and two children came to visit her parents before leaving for Texas, where her husband has been transferred. She came with her sister and brother-in-law, Mr. and Mrs. Loris Koch. Other visitors at the Olsens, were Mr. and Mrs. Hope of Meanook, cousins of Mr. Olsen.

Mrs. Armand Lebeuf has received the news of the death of her sister, Mrs. Raoul Gauthier of St. Henri de Mascouche, Que. Mr. and Mrs. Gauthier have been residents of Egg Lake for many years, before returning to live in Quebec, 20 years ago. Residents of the district extend sympathy.

SENIOR CITIZEN SCROLLS

For

ALBERTA'S PIONEERS

For their contribution to Alberta's Fifty Golden Years, all pioneers who were in the Province at the time of its establishment in 1905 or before, will be presented with Senior Citizen Scrolls, upon application. Crests on the delicately engraved border of the scroll will depict history motifs of the province, and the script will identify the recipient as a Senior Citizen. The name will be hand written on each scroll by an artist.

★ Who May Apply:

All persons who have been in residence in the province since the year 1905 or prior, may apply for a Senior Citizen Scroll. A short period of absence does not disqualify you.

★ How To Apply:

Application must be made for scrolls. Forms are now available at Municipal Offices in each district or from the Jubilee Committee. Completed application forms are to be sent to the Committee (address below).

Closing Date for Applications--August 1st, 1955

To enable the Jubilee Committee to prepare and distribute the scrolls, your co-operation is requested. Completed applications must be received by August 1, in order that distribution may begin by August 22.

★ Distribution Of Scrolls

The majority of scrolls will be mailed from the Jubilee office to the applicant, but communities wishing to be responsible for distribution at special presentation ceremonies, even prior to August 22, are requested to prepare a list of eligible citizens and ensure that application forms are submitted well in advance of the date scrolls are required.

★ Senior Citizen's Day

A Senior Citizen's Day has been added to the agenda of official dates for the Jubilee Year. September 10th has been set, though communities throughout the province will be holding special Senior Citizen Scroll presentations to coincide with their own Jubilee activities.

North May Finally Get Break On CPA Passenger Fares

EDMONTON (BUP)—The president of Canadian Pacific Airlines says there is a possibility that the CPA domestic overhaul staff will be transferred from Vancouver to Edmonton.

Grant McConachie told a press conference in Edmonton today that the transfer hinged on whether the company could find hangar space in Edmonton for its larger planes. Said the CPA chief: "If we can find the space we'll move the domestic overhaul staff back to Edmonton."

McConachie said if the domestic staff is transferred to Edmonton, it will handle all flying north to the Mackenzie area and domestic services to the east.

He said civic authorities are giving full co-operation in the company's efforts to obtain larger hangar accommodation.

The airline president said the company has applied to the Air Transport Board for a 17 per cent reduction in passenger rates. He said the company decided to make the application in view of the fact no change has been proposed in cargo rates, which he pointed out

are low at present. He said a 50 per cent reduction already had been given on backhaul rates.

Mrs. Nimco Passes Away

Funeral services were held Tuesday, March 22, for Katherine Nimco, 81, who passed away suddenly at the home of her son, Alex on March 19. Rev. Father Petroszyn officiated accompanied by Rev. Father Rakowski and Rev. Father Quinn. Interment was made in Pine Creek cemetery.

Palbearers were Sam and Mike Droziak, Joe Treia, Mike Wronko, Steve and Alex Adamkewicz.

Born in Poland October 26, 1874, Mrs. Nimco came to Alberta with her husband in 1905, and they moved to Colinton in 1929. They lived on a farm in the Colinton district until Mr. Nimco passed away eleven years ago, when Mrs. Nimco made her home with her daughter, Mrs. Yowney.

She leaves to mourn one brother, Alex Adamkewicz of Calmer, one daughter, Mrs. Annie Yowney of Colinton, four sons Edward M., Athabasca, John of Edmonton, Alex of Meanook, Peter of Colinton, 27 grandchildren and 29 great-grandchildren. One daughter, Eva Nal-esnik, predeceased her in 1949.

Fire Started By Lighted Cigarette

BREYNAT — A fire started recently in the store of Benoit Plamondon when someone threw a cigarette butt or a match in a box filled with paper near the door. Don Felts, Mr. Plamondon's son-in-law, was walking past the front of the store and noticed smoke through the window. The fire was extinguished before any great damage was done.

Lac la Biche School News

Mr. Strembitsky's art class has been painting "Prevent Fires" posters. The best five will be sent to the Department of Forests.

The curling season is over, but soon the pupils will be playing baseball.

The pupils in the lower grades played jacks and marbles and the high school students played ping-pong in the basement.

Mrs. Mastaler and her grade six class have been putting out their school paper "The Bugle", which can be purchased for 10 cents.

Edmonton Home For Alcoholics

EDMONTON (BUP) — The Alberta government will soon open a "Half-way House" in Edmonton to receive alcoholics discharged from the Belmont Hospitalization Centre.

Attorney-General Lucien Maynard said that men released from the centre after treatment will be able to go to the Edmonton establishment for a week or two until they are able to obtain work.

He also said that in time, the government will ask the courts to

hand out sentences up to six months for drunkenness so the Belmont Centre will have time to work with men who cannot be rehabilitated during shorter sentences.

Education Minister Says Standards Raised With 6-Weeks' Training Course

EDMONTON (BUP)—Alberta's Education Minister said that teachers with six weeks' training have raised the educational standards of the province.

Education Minister A. A. Aalborg said that putting short course teachers into schools is only an emergency measure. But he said they are doing a better job than the correspondence course supervisors they replaced and are thus raising the educational level in the province.

Aalborg was attacking a resolution introduced by Conservative Paul Brecken of Calgary.

The resolution said that completion of the matriculation course in an Alberta high school no longer admits a student to any university. It said that the policy of increasing the length of training and raising

the standards for the Faculty of Education at the University of Alberta seems to have been abandoned.

CCF Leader Says Canada Only An Economic Colony Of United States

EDMONTON (BUP)—Alberta's CCF leader Elmer Roper charged that the delay in starting the 300-million dollar Trans-Canada Pipeline provides a perfect example of Canada becoming an economic colony of United States big business.

But Premier E. C. Manning told the legislature that he could not imagine a more inaccurate conclusion as to what happened than that drawn by Roper.

The CCF leader specifically attacked Canadian Gulf Oil Limited, which has developed the Pincher Creek gas field in Southern Alberta. The field was expected to supply a major part of the gas to be piped 220 miles to central Canada.

Roper said Trans-Canada Pipelines Limited was apparently prepared to be set up in business by the government of Canada on behalf of the taxpayers. He said the company was willing to agree to security demands of the Industrial Development Bank in order to obtain its finances, but Canada Gulf would not supply gas to a company that might be controlled by the government agencies.

He said that in earlier discussions of gas export one of the reasons given for permitting it was that it would allow further development of the Pincher Creek field. He said "almost bitter tears were wept over the plight over Gulf Oil."

Now that we have an opportunity to sell the gas," Roper said, "because the Industrial Development Bank takes the ordinary precautions of any bank, this com-

pany which was suffering terribly because it couldn't get rid of its gas, says, 'We won't play.' "

Said Roper, "This is a disgraceful situation that should make the people of this province wonder who is the boss as far as gas production is concerned."

He said it indicates "we are rapidly becoming an economic colony of United States big business."

Manning indicated that he will reply at some length to Roper's charges when the estimates of the Mines and Minerals Department are again under consideration. He said the CCF leader's interpretation of the situation was "completely at variance with what took place."

Trans-Canada has announced that a start on construction will be delayed a least a year because of its failure to reach an agreement with the government on aid to financing the project.

May Divide Ridings In Edmonton, Calgary

EDMONTON (BUP) — The Alberta government has considered a change in the way Calgary and Edmonton are represented in the legislature and the appointment of a representative from the Edmonton suburb of Jasper Place.

Attorney-General Lucien Maynard said Monday that although these questions have been given some thought, the government has decided to take no action until it receives the report of the royal commission investigating the development of the two metropolitan areas.

Maynard said the government expects to have the report before the next session of the legislature. The commission has heard recommendations that the boundaries of the two cities be extended. In the case of Jasper Place — Alberta's largest town — it has been suggested that it should join Edmonton and other municipalities under one municipal government.

Maynard revealed that one course considered, in the event the city boundaries are extended, would be to split the two cities into two ridings each.

NOT DEFINITE POLICY

He emphasized that he was not stating definite government policy, but suggested that members might give the matter some thought before the next session.

Calgary Liberal member Hugh John MacDonald suggested that the multiple member ridings in the two cities should be broken down. Edmonton now elects seven members and Calgary six.

MacDonald said that under the present system it is impossible for the average voter to be familiar with the large number of candidates. He suggested that the province might adopt essentially the same boundaries as the federal ridings in the two cities.

CONSTRUCTION INDUSTRY TO BENEFIT FROM BOOM IN BUSINESS THIS YEAR

MONTREAL, March 30 — "The impact of the predicted rise in capital expenditures in 1955 is likely to fall entirely on the construction industry," says the Bank of Montreal in its March Business Review, issued today under the title "Construction Work Ahead."

The review, commenting on the recently-issued government forecast of capital expenditures for 1955, points out that the construction and equipment industries employ close to a fifth of the nation's labor force, and the building of new plants, equipment and housing have been the mainstay of Canada's postwar prosperity. This high activity has meant greater employment opportunities and an increased standard of living for the continuously expanding population.

Edmonton Author On CFRN Radio Program

Elsie Park Gowan, Edmonton playwright, is the author of a new series of documentary dramas "Judge For Yourself" to start Monday, March 28 on the dominion network at 8:30 p.m. MST (CFRN-Radio).

The series "Judge For Yourself" consists of six half-hour plays centered around the Family Courts in Canada. From research in every city of Canada Mrs. Gowan has gathered information on the Family Court and its fairly new technique for strengthening the family, dealing with cases in which a legal charge is the symptom of a domestic problem. In this courtroom punishment is of second importance to help and understanding for husbands, wives, children and parents.

Each story deals with a typical case which is handled by the fictional judge of the story Judge Gooderham and his staff.

Fire Destroys Farm Home

ATHABASCA — A recent fire destroyed the farm home of Mr. and Mrs. Zachary Dak. They were unable to save any of their possessions except the clothing they were wearing at the time of the fire. No insurance was carried on the buildings.

Housing Boom to Continue

Residential housing is expected to show a substantial increase over last year's record of 113,000 housing starts, and total expenditures are estimated at \$1,283 million compared with \$1,169 million in 1954. This represents 22 per cent of the over-all capital investment program.

The review then goes on to say that in conformity with this expansion, "increased outlays are planned for municipal services, telephones and retail outlets, while the growing number of children coming into the educational age bracket is reflected in a continued rise in outlays for new schools to an estimated \$171 million from \$156 million in 1954 and \$153 million in 1953."
